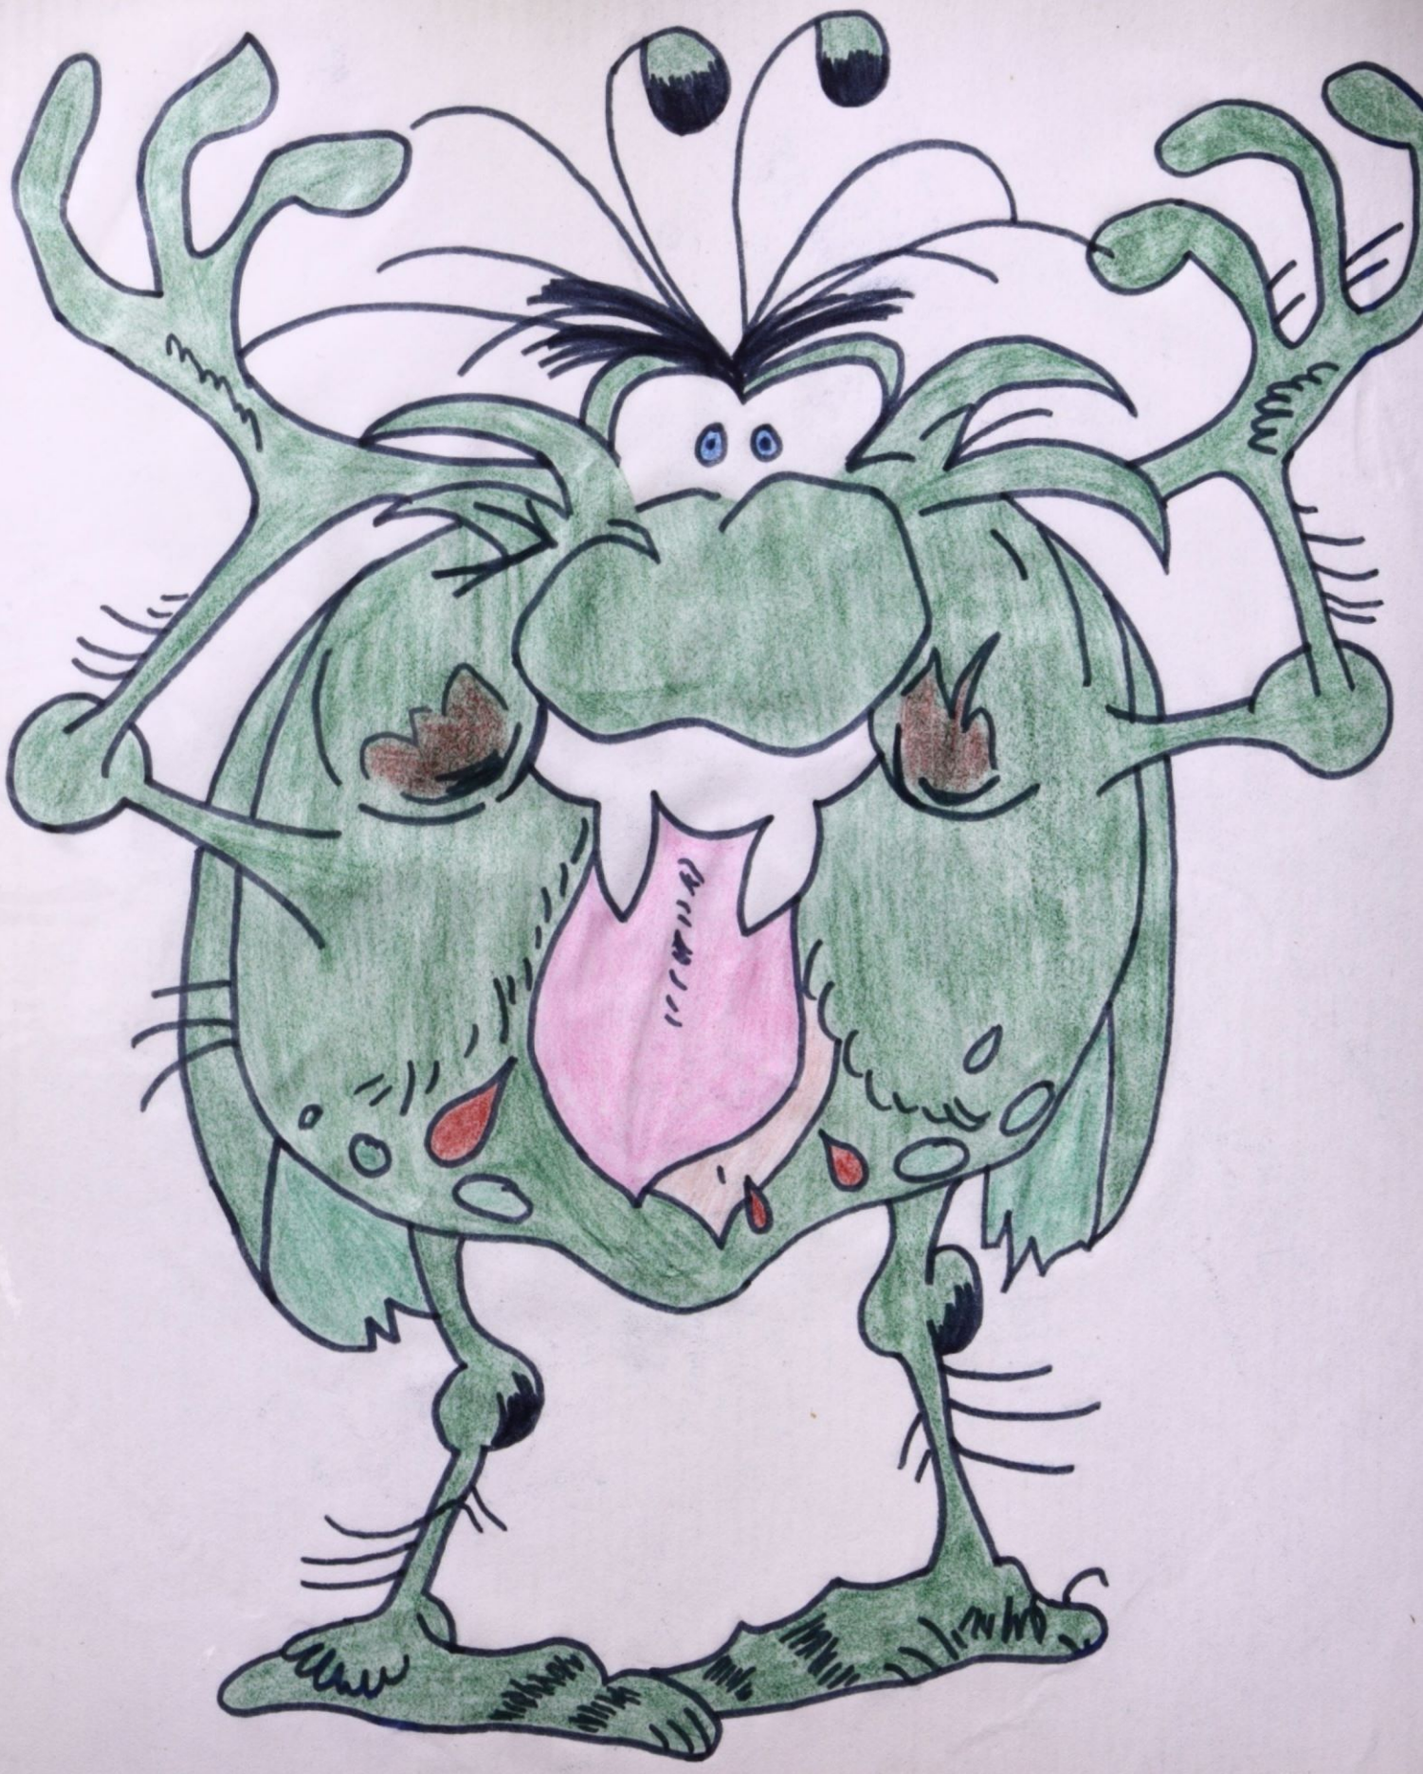
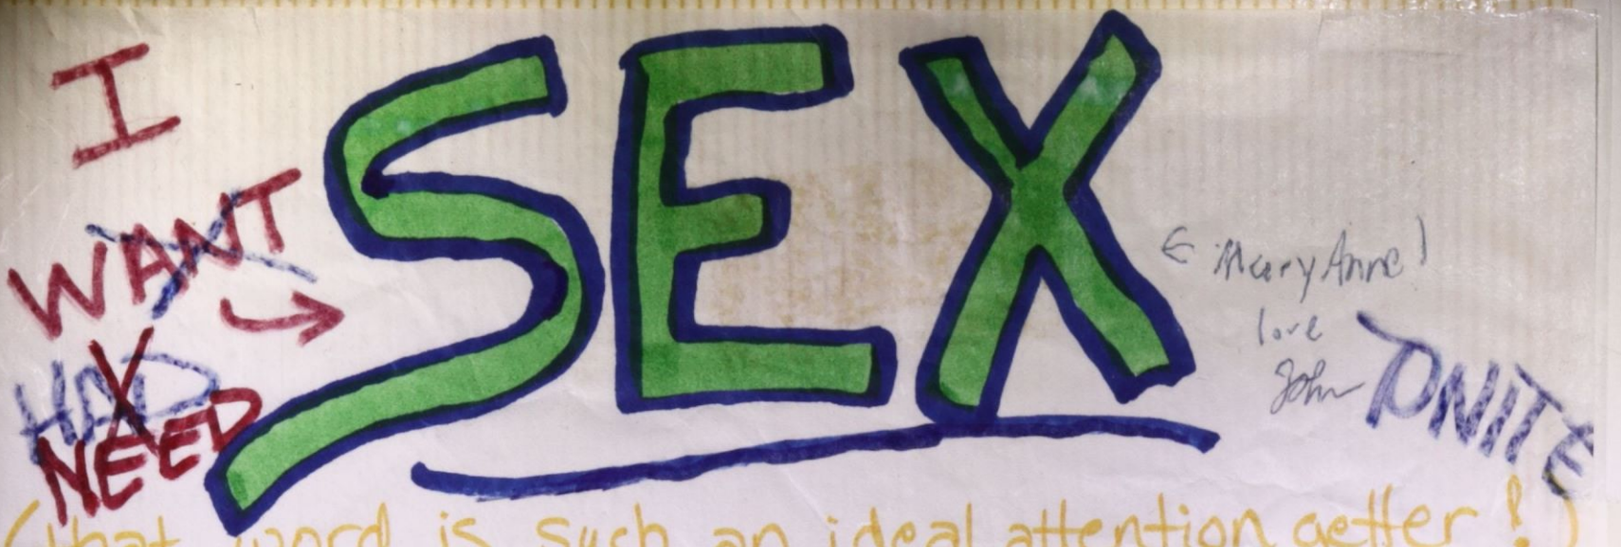
Elephant Wall after House Meeting. Be There!!

I ♥ BOYS

1984-85





(that word is such an ideal attention getter!)

Now, down to business... the point of this sign is to instruct you on how to take telephone messages correctly!

GCNM – Girl/Woman Called, No Message.
BCNM - Boy/Man Called, No Message.
WCBL - Will Call Back Later.

Now, on to trickier ones:
Let's say John Doe calls for Jane Doe. Well Jane Doe is a real sleaze, so of course she isn't here because she's over in gunsolley. John, being the concerned guy that he is, wants Jane to call him when she gets back from sleazing around. So this is what you put down on our A-1 Memo Board:

Jane Doe – John called. Call him back.

You see, that wasn't hard at all! But Jane's gonna have a hard time explaining to John why she was sleazing around over in Gunsolley.
One final request... Always put down the time of call and your name or initials! Thanx
